

Clay Furniture

CABINET FABRICATOR (ENTRY-LEVEL)

About Clay Furniture

Clay Furniture has been providing superior custom built cabinetry and millwork for over 25 years. We have built a reputation by providing quality products, integrity, and valued customer service.

Clay Furniture works with General Contractors, subcontractors, commercial and retail companies. We work with our customers from the initial plans, to estimating and providing shop drawings to final completion of the millwork. Specializing in laminate, solid surface and many types of wood to customize exactly what the customer needs.

This Position

We are looking for a full-time, entry-level cabinet fabricator to join our team. We're very excited to train the next generation of local craftspeople. The candidate must enjoy working with their hands and be a quick study. There is significant room for advancement as we are making investments in staff and machinery.

Roles / Responsibilities: Include but not limited to:

As an entry-level cabinet fabricator, your week will be filled with a variety of tasks that will introduce you to custom cabinetry fabrication. Under the guidance of our team, you'll learn to work both independently and as part of a team in our Manchester, CT shop. Your responsibilities will include learning to set up and operate woodworking machinery, understanding the processes of fabricating cabinets from raw materials. We expect you to pay close attention and quickly grasp the techniques and standards of our craftsmanship, always adhere to safety protocols, and maintain cleanliness in all workspaces.

The Ideal Candidate

The ideal candidate for this entry-level position is someone eager to learn and passionate about starting a career in cabinetry and custom furniture fabrication. No prior experience in cabinetry is required, but the following qualities are essential:

- A desire to work with your hands and create tangible products
- Strong organizational skills
- An aptitude for learning new skills and adapting to different tasks

COMMERCIAL CABINERY | RESIDENTIAL CABINERY | ARCHITECTURAL MILLWORK

41A Chapel Street | Manchester, CT 06042 | info@clayfurniture.com | (860) 643-7580

Clay Furniture

- Must be reliable and punctual
- A commitment to workplace safety and cleanliness
- High School or Technical School education
- OSHA 10 or higher (preferred but not required)

Experience / Education

Notice we put Experience before Education. Much of what we do requires hands-on experience. We're going to ask you for examples of what you have done and how it applies to us. No formal degree required, high school diploma or equivalent is a must.

Compensation / Benefits

Compensation

- \$18-\$22/hour, dependent on experience

Benefits

- Paid Vacation, Holidays and Sick Leave
- 65% Health Insurance premium coverage (waiting period applies)
- Vision / Dental / Life insurance (made available to employee, waiting period applies)
- 401k Retirement plan

This position has an immediate, full-time need
